

VISION, MISSION AND VALUES

OUR VISION

The heart of our healthy, active community

OUR MISSION

The Kerrisdale Community Centre Society provides social connections, cultural experiences, wellness programs, and recreation opportunities that advance the quality of the lives of our community's residents.

OUR VALUES

We value:

- working together to seek ideas and share solutions
- continuous quality improvement throughout our operations
- high levels of service to our community
- balancing financial accountability with social and environmental responsibility
- collaborative, respectful, and effective working relationships
- providing environmentally friendly facilities and practices
- connections to, and engagement with, the Kerrisdale community
