## COOKING

### Holiday Baking NEW 3-5 yrs

We will learn how to measure the different ingredients to make holiday cupcakes, cookies, and doughnuts!

W-F 12:15 pm-1:30 pm Dec 26-Dec 28

▶191738 \$33/3 sess

Instructor: Sharon Lee

## Kerrisdale Community Garden

Kerrisdale Community Garden (KCG) is a collectively-run volunteer group bringing together all types of gardeners from the community. Our shared goals are improved access to gardening land for local people and enrichment of Kerrisdale's accessible public green space. Community members are welcome to enjoy our garden in every season.

Come and visit us  
at our garden.

We are located at  
60 Ave & Angus

Winter is our quiet season. Our bees are in hiding, our soil is replenishing and our garden beds might lay under a blanket of snow. Still, the garden is a nice place to visit - at any time of the year.

## EDUCATION

### Brick Animation 6-12 yrs

Create your own stop-motion Brick Animation Mini Movie using LEGO® elements! Action? Adventure? Drama? You decide! Students will learn the basic techniques of Brick Animation with LEGO® Movie Maker, including movement, timing, effects, editing, voice overs, and more. Students will create a short LEGO® Brick Animation Mini-movie, using our LEGO® sets, including Star Wars, LEGO® Friends, LEGO® City, and More! \*students are welcome to bring their own.

W-F 10:00 am-12:00 pm Dec 26-Dec 28  
**▶192974** \$105/3 sess  
 Instructor: Tomorrow's Playground

### Bricks 4 Kidz Jurassic Brick Land 6-10 yrs

Put on your hiking boots and camouflage, you're about to enter Jurassic Brick Land! Campers will build a world that comes to life with gentle Brontosaurus, ferocious Velociraptor, terrifying T-Rex, and more! All campers go home with a custom-made minifigure!

W-F 9:00 am-12:00 pm Jan 02-Jan 04  
**▶191474** \$105/3 sess  
 Instructor: Bricks 4 Kidz Vancouver

### Brixology 6-12 yrs

Learn what it means to be an engineer! Campers will build a different engineering-themed project each day using LEGO® bricks, as well as explore engineering fields including mechanical, structural, aerospace, nautical, and bio engineering. Furthermore, children will use critical thinking, cooperation, and creative problem-solving to test and improve creations!

W-F 9:00 am-3:00 pm Jan 02-Jan 04  
**▶193210** \$201/3 sess  
 Instructor: Mad Science

### EV3 Mindstorms Robotics 8-12 yrs

Students will learn to design, program, and control Robots and other mechanisms using the LEGO® EV3 Mindstorms System. Using the icon-based software, students can build, program, and test their solutions based on real-life robotics technology. Students will gain a basic understanding of programming, engineering processes, sensor usage and much more! This STEM based program will prepare them for further advanced classes.

W-F 1:00 pm-3:00 pm Dec 26-Dec 28  
**▶192975** \$105/3 sess  
 Instructor: Tomorrow's Playground

# WINTER BREAK — CHILDREN

## GAME READY SPORTS CAMPS

### Basketball Camp

7-12 yrs

We will teach & practice all of the skills necessary for success on the basketball court. High intensity drills will challenge players to improve their play. We will also develop fundamental movements so each player becomes more confident with their ability to move around the court, including jumping and agility. Introductory play systems will be covered along with dribbling & shooting progressions. Prizes and snacks included!
